## ELECTIONS: WHY VOTE?

- because we all give the S.R.C. \$10 annually
- much of this has been spent on utterly irrelevant political campaigns including those of the "Friends of Palestine" and the "South Africa Liberation Group".

## WHY VOTE LIBERAL?

- We will keep money on campus where it belongs
- We will double grants to faculty societies and seek to assist the building of a club house for the various sporting groups
- We believe in an S.R.C. which deals with the limited political needs of students in a spirit of consensus and moderation, and improves campus life by its activities and services.
- By entrenching certain reforms in the constitution we seek to ensure that the S.R.C. is never again manipulated by unrepresentative extremists.
