

10.39 Marriage Equality

AYL calls upon the ALP National Conference to amend the Platform to support the legal right of all adult couples in Australia to be married if they so choose, and for that marriage to be recognised and registered by law in Australia, regardless of the sexual orientation, or gender, of the parties to the marriage.

10.19 Onshore refugee processing

Australian Young Labor calls on the Federal Government to abandon the current management of illegal boat arrivals through offshore processing. AYL further calls on the Federal Government to move toward an onshore, community based management of all illegal arrivals into the country.
