

PEOPLE OF NO CONSEQUENCE!

THAT is what our local Federal MP, Anthony Albanese, calls US!

Pretty much PROVOKING, and INVITING VIOLENT REACTION!

ENOUGH IS ENOUGH! STOP HIS ARROGANT DISRESPECT!

KICK HIM OUT AT THE NEXT FEDERAL ELECTION!

HE AND JULIA GILLARD DO NOT DESERVE ANOTHER CHANCE TO CONTINUE THE RUINATION OF THIS ONCE GREAT and **FAIR** COUNTRY! Stop their sellouts to CRAZIES!

DO THE HONOURABLE THING JULIA! And Anthony! **CALL AN ELECTION!**

FACE UP TO THE PEOPLE WHO PAY YOUR HUGE SALARIES AND NEVER-ENDING RORTS, and GUARANTEED-UNAFFECTED-BY-THE-SHARE-MARKET, FULLY-INDEXED, ENDING-ONLY-ON-TWO-DEATHS, LIFELONG PENSIONS!

Please copy this and circulate! Make OUR greedy pollies WORK **FOR US!** 22/8/11

The Federal Labor Government has a HUGE \$12 million plus campaign using **OUR TAXES** to CON us into saying **YES** to their BLIND and DUMB “Carbon” Tax! **WHY?** We have never been and will never be given a chance to SAY YES! Or NO!

No “Carbon” Tax has ever been proposed before any election, and one was specifically CONFIRMED as being “NEVER UNDER A GOVERNMENT I LEAD” several times by Julia Gillard and Wayne Swan just before the last election. IF, as they now claim, “circumstances have changed”, then **WHY are they now SO AFRAID** to do the **HONOURABLE THING**, to NOT sell us out, and to take it to an ELECTION to GET majority support from ALL Australians? Is Australia now a DICTATORSHIP?

Are they afraid enough voters have NOW also woken up to their disgusting WASTE of OUR hard-earned TAXES with every other one of their numerous failed, crazy schemes and totally incompetent administration? And to the HUGE DEBT they have forced ALL Australians into by that INCOMPETENCE and BLATANT WASTE OF OUR TAXES?

POLITICIANS are all sitting pretty on HUGE lifelong **RORTS**, and very generous **pensions** that are indexed for inflation, cannot be affected by share market fluctuations, and CEASE ONLY at the deaths of the politician AND his or her spouse! So let’s help the very disrespectful Mr. Albanese and his spouse start collecting HIS very soon! And let’s make sure Julia Gillard, Wayne Swan & the entire “INFALLIBLE” Government of INCOMPETENCE start collecting theirs too! The sooner the better FOR AUSTRALIA!

Please copy this and circulate! Make OUR pollies **EARN** what they generously get from us! 22/8/11
