Evaluation Terms and Conditions

This is an evaluation copy of the Kestrel Tactical Simulator. It is being made available to you solely for the purpose of evaluating KTS for use within your organisation. The software which includes the documentation and media it is provided upon remains the property of Kestrel Defence International and must be returned at the conclusion of your evaluation unless otherwise arranged with Kestrel Defence.

This software is being made available to you on a commercial in confidence basis. It may only be shown to or described to individuals within your organisation who have a genuine need to know for the purposes of this evaluation. You may not copy, sell, resell, rent, lease, lend, sublicense the Kestrel Defence International Software. You may not transfer the Software to any other party, inside or outside of the organisation.

If you do not agree with these conditions then you must return the software to Kestrel Defence International immediately.
